***Our Wild Nature: A walk in the park with Judy Isacoff***

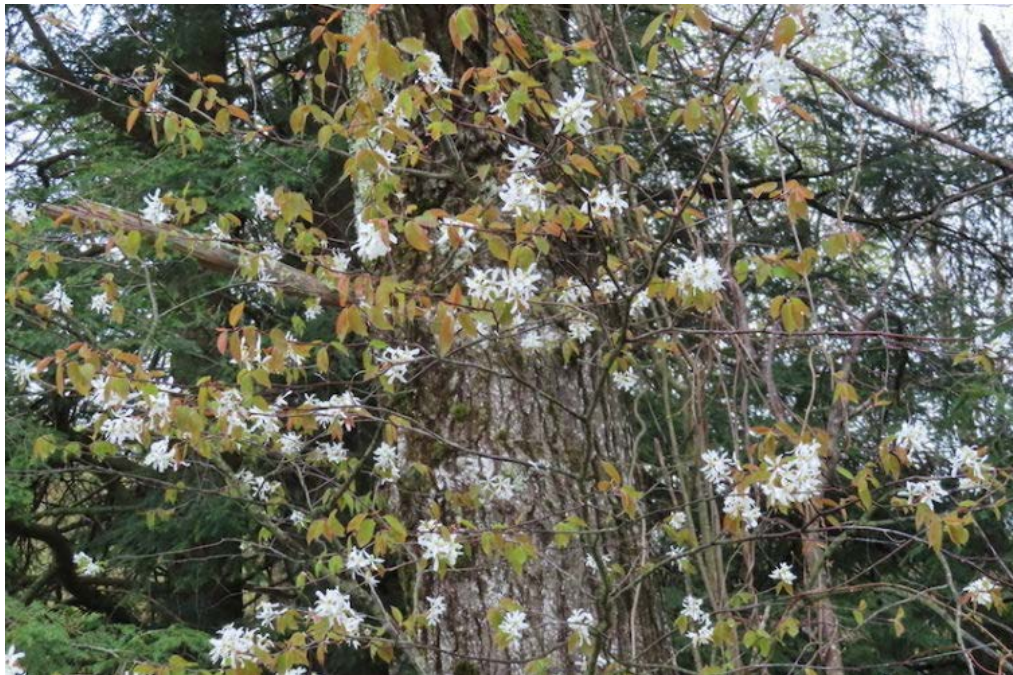

Majestic trees, charming shrubs, blooming wildflowers!

Come learn about the rooted and foot loose in the fields and forest of the first half-mile of the Alander trail with Judy Isacoff of Nature's Turn.

Easy walking through uneven ground.

Juice and Cookies to be provided by the Mount Washington Council on Aging (COA)

*(Hike starts from the Mount Washington State Forest Headquarters parking lot)*

Shadbush in bloom in early and mid-May. Photo: Judy Isacoff
